

This week at DSMFS

PRIMARY SCHOOL – Extra Curricular Activities.

French Club meeting! We are basically having dialogue exercises this month. And we want to challenge ourselves to sound more French as we listen to French Dialogues (Audio Exercise). Between now and next week we will be listening to conversations to get a sense of French pronunciation and improve on our listening skills in French. Sewing project reveal, WE WILL BE WORKING WITH BUTTONS THIS TERM!

AFTER SCHOOL PROGRAMME (ASP):

Our children are back to spending time with their coach on the field, our piece of land has also been cleared. Cucumber seeds deep down in the soil. We will be getting some beds ready for carrots in the coming days. Choreography has been warming up this week too, our dance steps will see a bit more fast and challenging moves this term!

IN OUR CLASSROOMS

DOLPHINS (Primary 1 & 2):- Dolphins have been practicing and solving some addition and subtraction problems this week in math class with vocabulary lesson on parts of the body during French class. Some revision work with place values also continued.

French: <https://youtu.be/ME2PVtZ-BrY>

WHALES (Primary 3 &4) It is Long Division for Whales this week. We are basically learning to break down a problem into easier steps. Put us to the test at home with random problems and give the teachers feedback on Monday. Lower Whales are solving addition problems by regrouping. French vocabulary lessons saw us looking at ‘La Maison’ and an introduction to ‘ Mon École’. Science was all about the inter relationship of our sense organs and water filtration.

SHARKS (Primary 6):- Sharks are building on their understanding of Divisibility rules for Long Division. Lesson on the Body Systems focused on the Excretory system this week while also analysing various bodies in the solar system.

PRE-SCHOOL:

Theme this week has been personal and cultural values, this will continue in the coming week. We have been working on being polite and learning to greet our teachers, families and friends. Being polite is important in our culture and our teachers have been explaining to us why. So we have been learning some polite phrases too.

French: Numbers and colour are all around us and we are not done yet! So here are more number songs to help develop our listening skills and build vocabulary

Let’s sing along!
