

# This week at DSMFS

## SCHOOL CELEBRATION – AFRICA DAY, 25<sup>TH</sup> May

We love to take advantage of commemorative days to help our children understand the world around them, and this was no exception! The perfect opportunity to familiarize ourselves with some Countries on the Continent of Africa. So we joined the whole world in celebrating the annual commemoration of the foundation of the OAU now transformed into the African Union. Happy celebrations! Now we know we are being tasked to create a difference on the continent!

## IN OUR CLASSROOMS

**DOLPHINS (Primary 1 & 2):-** This week Dolphins compared numbers, examining the difference between numbers, quantities or values to decide it is greater than , smaller than or equal to another quantity. Upper Dolphins put into practice some mental strategies to help with adding and subtracting numbers.  
**FRENCH:** <https://youtu.be/tXD3AEW89Do> <https://youtu.be/Te7uLbOI6Ow>  
**SCIENCE:** <https://youtu.be/rcE2asTpyB4>  
**ENGLISH:** <https://youtu.be/09dtLg-jS8A>

**WHALES (Primary 3 &4) .** The whales explored the solar system this week, focus was on examining the sun. Upper Whales are examining the root system of plants. Please find some links below to help with revision work this weekend. <https://youtu.be/VkW54j82e9U> <https://youtu.be/p-B2y2I6duE>
