

This week at DSMFS

SCHOOL CELEBRATION – Team Building Event (Sports Day)

Celebrating effort! This week our children had the chance to show leadership, teamwork, and work on their communication skills. Great opportunity as they faced new challenges and interacted with new people. Most importantly we wanted our children to understand that you can work together to achieve the same goal. Congratulations Ackon House, you proved that working together can get us all there!

IN OUR CLASSROOMS

DOLPHINS (Primary 1 & 2):- This week Dolphins discussed measuring length, height and mass, and Science saw them discuss the food industry and preservation. <https://youtu.be/rylxBrO1bJY>

FRENCH: <https://youtu.be/XZhY8frvDTA>

SCIENCE: <https://youtu.be/U2qhqwP0cpg>

ENGLISH: https://youtu.be/9_t6ss3hy8s

WHALES (Primary 3 & 4) . The whales focused on calculating the area and perimeter of shapes during math and science saw them discussing Skin diseases. Upper whales discussed Elastic and compressional force. <https://youtu.be/NGc5s5xdpwU>

FRENCH: <https://youtu.be/WZWN2Uragvc>

SHARKS (Primary 6):- <https://youtu.be/sStY47pWzY8>

FRENCH: <https://youtu.be/ApOpvOmQU9U>

PRE-SCHOOL: This week the Department completed activities on its theme, AIR! It fun learning about this special invisible force that has so many names to describe it based on what it does! This week we talked about Air, wind, hurricanes (cyclones) and tornadoes. We also talked about importance and the different animals that enjoy living in the air!

KG1 & 2: Math concept this week was all about describing fractions, identifying them and naming them.
