

9th week at DSMFS

7th – 10th March, 2023

Excursion day: The school visited two places; Kakum National Park, Hans Cottage Hotel and Cape Coast Castle. At Kakum National Park, our children first visited the Children's Park where the fun began. They climbed heights and took pictures with statues of animals like the antelope, elephant, tortoise, and many more. From the Children's Park, our wonderful kids as little as they are went hiking for about 200km and were brave to go for the canopy walk.

Our young

From the Kakum Nat. Park to Hans Cottage Hotel, our children fed fingerlings and cruised. It was all fun, and left for the Cape Coast Castle. They visited both the male and female dungeons, Nana Taado's shrine, and other places, and ended at the Gate of No Return which affected their mood, however, were excited.
