

4th week at DSFMS

22nd – 26th January, 2024

The Snr Whales (Basic 4)

working equivalent fractions on the board to test speed and accuracy in **Maths class**

UCMAS: Our children challenged themselves finding small friends for numbers,

The Basic 5 students identified the musical instrument for performing jazz music in **Creative Arts class**, discussed Dire ce quel'on aime in **French class** and treated the causes and prevention of respiratory diseases in **Science class**

Our Butterflies (Nur 2) identified things that constitute the school environment They challenged themselves with the "c" sound as in cat, car, cake and the rest. **Story of the week:** Noah and the ark. Children were excited when asked to draw the Noah's ark after the story

Our Jnr Dolphins using the number line to do Skip counting to demonstrate comparing of numbers in **Maths class**, and discussed Parler de son e'cde in **French class**. They challenged themselves with the properties and uses of air in **Science class**.

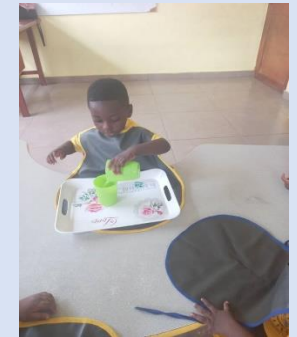

Learners in **Basic 6** created both visual and performing environmental arts to depict the need to care for the environment

The Snr. Dolphins, in Science class watched a documentary on how plants prepare their own food

Friday Keep Fit: The week could not have ended without our Friday keep fit; running, playing football, basketball and volleyball, choreography display, playing ampe and many more. **Full of fun.**

Our Caterpillars (Nur 1) sharpened their concentration skills by filling and pouring water from a cap into a container. They challenged themselves with the "b" sound as in ball, baby and many more. **Story of the week:** Noah and the ark
