

# 8<sup>th</sup> week at DFMS

Create a Difference

26<sup>th</sup> – 1<sup>st</sup> March, 2024

**Our Jnr Whales** in Science class under Sources and forms of energy appreciated the uses of heat and explained how to apply heat on objects, challenged to process raw data into information using addition and Subtraction in ICT class under calculations on data

**Friday Keep Fit:** The week could not have ended without our Friday keep fit; running, playing football, basketball and volleyball, choreography display, playing ampe and many more. **Full of fun**

**Our Basic Six** in Maths class treated Ratio, examined balls of various colours in a basket to determine their relationship and to represent it using ratio, in French class discussed “Compter et faits des calculs simples” under the strand “Les Activités”.

**Our Basic Four** In computing, studied the use of spread sheet programs to perform fundamental operations on data, including addition, subtraction, multiplication, and division, and “Exprimer ces goûts et ses preferences” in French class

**Our Butterflies** (Nur. Two ) demonstrated their fine motor skills by weaving and were very excited, appreciated /l/, /m/ and /n/ sounds as in limp, moon, nest, etc, Bible story of the week “Jesus Loves Little Children”

**In Music class**, the Basic 3-6 were challenged to play full scale lessons with both hands. The **KGs** were taken through the rudiments of music and fingering lessons, **Basic 1 and 2**, rudiments (lines and spaces), fingering and playing lessons
