

5th week at

DFMS
Create a Difference

10th – 14th June, 2024

Our Basic 1- 6, this week were busy writing their first class assessment test (Mid-term test) both online and face-to-face, had intra-classes spelling quizzes in preparation for the Inter-house spelling competition that comes next week

Our Caterpillars and Butterflies were busy improving their writing skills with the help of the sand tray, Class of butterflies learning how to roll and unroll a mat and were very excited

Our Jaguars (K.G. 1) filled different sizes of container with water to know their capacity which builds the eye to eye coordination, muscles and cognitive of a child and forms part of the Montessori practical life of a child

. The Cheetahs (KG 2), using the knobles cylinder, were encouraged to compare and contrast, recognized the differences and similarities, and in Literacy class were taken through Reading and Comprehension to enhance brain activity and improve their vocabulary skills.
